## AN APPEAL.

THE SUPERIORES of the ITALIAN CONVENT,  
Caine Road, begs most respectfully to  
APPEAL to the residents of Hongkong and the  
Coast Ports for their kind Patronage and Support.  
At present, owing to the daily increasing number  
of the Orphans, foundling Children, and destitute  
Women, who already exceed 150, the  
HUNDRED, the Superiores find it imperative  
pressing need of further assistance. She has no  
fund at her disposal, the whole of the means  
available being earned by the laborious needle-work  
of the Superiores themselves, and she therefore  
desires to state that she will be pleased to receive Orders for Gentle-  
men's Shirts, and Pyjamas, Ladies' Under-  
clothing, and Children's Dresses, and Under-  
clothing, Embroidery in any form, and in Gold,  
Silk, Wool, or Cotton, also—Regimental  
Embroidery.

Materials supplied if required, and Persons  
living at a distance can send Orders by Letter.  
As the Terms are very moderate the Superiores  
hope to receive and merit a large share of  
Public Patronage.

## Insurances.

## THE NEGLECT OF LIFE ASSURANCE.

THERE is no feature of our civilised life that strikes a thoughtful man with more force than the neglect of LIFE ASSURANCE. By payment of a small quarterly subscription any man of good health can secure a very large sum to his family in case of premature death, yet hundreds of families brought up in comfort and luxury are left in extreme poverty every year from the bread winner having neglected to assure his life. In the East many a man lives up to his income, knowing well that if death cut him off suddenly, his wife and children would be left almost wholly unprovided for. All this can be prevented by Life Assurance.

## EVERY FACILITY

## LAUDATORY NOTICE.

POLICE SERGEANT BUTLIN, who has been in charge of the Stanley Police Station for a period of twenty-two months, is about to be transferred to Hongkong.

The undersigned, who has been resident in Stanley for many years and who represents the opinions of the other Chinese residents of the village, desires to bear public testimony to the most efficient manner in which Mr. BUTLIN has discharged his duties during his term of service.

By his courage and energy he, on two separate occasions, distinguished himself by capturing pirates, and has effectively put a stop to their depredations. The village is now quite tranquil.

Mr. BUTLIN has always been on good terms with the residents and is deservedly popular; his transfer to Hongkong is generally regretted, and will be a great loss to Stanley.
